SAGE MAS 90 SAGE MAS 200

ATC FRx for Sage MAS 90 and Sage MAS 200

9:00 am – 5:30 pm

This hands-on class provides a basic understanding of the features and functionality of Microsoft FRx. Learn how to link to external worksheets, and create financial reports combining multiple Sage MAS 90 companies. By learning the ins and outs of this report writer, you can design presentation-quality financial reports that provide insights into your business and support for your decisions. **Prerequisite:** A general understanding of processing and reporting in the Sage MAS 90 and 200 General Ledger module is recommended. Cost for this class is **\$790, which** includes a training manual for you to keep. **After the class you will be able to:**

- Navigate within the application
- Link to the Sage MAS 90 and 200 company's General Ledger data
- Create row formats and column layouts
- Define a report and use reporting trees
- Create calculations and filter data on your reports
- Bring data from worksheets onto your reports
- Create reports that combine from multiple companies
