

**Finally! We have a spare moment
to plan our vacation and I
can submit my vacation request.**

**I love that we can do this anytime
& anywhere without worrying
about when someone is in HR.**

Employee self service in HR is an exceptional example of win / win. Employees value the empowerment and responsibility of maintaining their own information while employers gain significant time savings that allows HR to spend time on activities with higher value.

Our complimentary educational Webinar will provide you with a greater understanding of what employee self service is, what the key benefits are and how affordable an opportunity it is for organizations of all sizes.

The seminar will cover topics such as:

- What is Employee Self Service & Benefit Enrollment?
- Trends in ESS Technology Adoption
- Trends in Benefits Management
- Advantages of ESS and Online Benefit Systems
- Making the Move to ESS & Online Enrollment
- Measuring the Payback
